

*The Children's Story Path Team*

**Antoinette Botsford** - Antoinette has been navigating the labyrinth of stories and storytelling her whole life! Her public work began with storytelling for her Campfire Group when she was ten, which led to puppetry, getting a Ph.D. in theatre arts at UCLA, translating and writing plays, acting, directing, and finally, after reaching Orcas Island, settling into a lifetime dedicated to oral tradition and mythology. Children young and old, and older folks too, enjoy uncovering the mysteries of self-revelation and creativity embedded in labyrinth storytelling.

**Nancy Ayer** - Nancy has an MA in depth psychology and education and is a Veriditas trained advanced labyrinth facilitator. She has worked with the Rev. Dr. Lauren Artress in San Francisco, Germany, and Chartres Cathedral in France. Nancy facilitates labyrinth walks from coast to coast for all ages, from graduate level college students to small children.

**Judy Tepley** - Judy is an artist of spheres, creating hand wound thread balls called Tamari. Described as color play, geometric principles are central to the design which is then covered with embroidered patterns.

**Louise Tucker** - Louise is a mother of two; lover of children's literature (my favorite college course), art, labyrinths and beach-combing; proprietress of Written in Stone photo greeting cards.

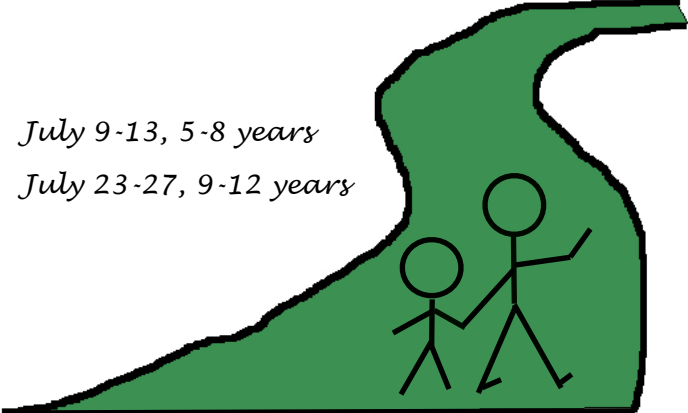

**Cheryl Hunnicutt Danskin** - Cheryl has been an early childhood educator for over 35 years and currently serves as coordinator of Emmanuel Parish children and family ministry.

Emmanuel Parish, founded in 1885, is home to the permanent labyrinth, created in 2011 for the entire island community and beyond. Designed after the labyrinth in Chartes, France, Emmanuel's labyrinth is a place for children and adults alike to explore the inner path.
